**TRANSMITTAL OF
SECOND RENEWED PETITION UNDER 37 C.F.R. § 1.137(b)**

Transmitted herewith is a Second Renewed Petition to revive the above-identified application. Also submitted herewith are the following:

Fee Transmittal, in duplicate, with authorization to charge deposit account
Request for Extension of Time, in duplicate, with authorization to charge deposit account
Request for Continued Examination (RCE), with authorization to charge deposit account
Preliminary Amendment responsive to the Office Action mailed on October 21, 2002

Petitioner/Applicant notes that this Second Renewed Petition was previously sent to the Patent Office, to the Petitions Fax number provided on the Decision on the Petition (paper No. 13; 703-308-6916) on September 30, 2003, upon receipt from an Office Action from the Examiner indicating that the First Renewed Petition was not accepted because the proposed reply

{DHD1439.DOC;1}1

did not constitute a proper reply under 37 CFR 1.113(a). With respect to the submission on September 30, 2003, Petitioner/Applicant's internal records indicate that the facsimile was transmitted in full. However, per a conversation with the Petitions Attorney, Alesia M. Brown, there is no evidence that the petition was received. Accordingly, Petitioner/Applicant is resubmitting the Second Renewed Petition, which is a duplicate of that sent on September 30, 2003. Petitioner/Applicant believes that no additional fees are required other than those indicated on the RCE and Extension of Time and Fee Transmittal forms submitted herewith. If there are additional fees due, the Patent Office is hereby authorized to charge any related fee to Deposit Account No. 03-0172.

Respectfully submitted,
